

EveryDay Safe

Product specification and manufacturing record

Fictional document created only for testing AI-assisted Digital Product Passport data extraction. It does not describe a real certified product.

Product identity

Manufacturer brand	Chubbsafes
Product name	EverydaySafe
Model code	EDS-40-FP
Serial number	EDS40-2026-00042
Manufacture date	2026-08-01
Internal batch reference	BATCH-EDS-2026-08-A

Certification and installation

Security standard	EN 14450 S1
Installation type	Furniture integrated
Intended environment	Home
Quality check date	2026-08-03
Certification document	https://example.com/certificates/eds-40-fp-s1.pdf

Physical specifications

External height	300 mm
-----------------	--------

External width	400 mm
External depth	350 mm
Net product weight	38.5 kg

Electronic and security features

Fingerprint access supported	Yes
Mobile application supported	Yes
Faraday compartment included	Yes
Electronics version	EDS-ELEC-2.4

Customer documentation

User manual	https://example.com/manuals/everydaysafe-eds-40-fp.pdf
